This camp will feature two camps in one: our Training Academy, for students who have no experience building or programming a LEGO Mindstorm EV3 robot, and an Advanced Academy, for students who have previous LEGO programming experience from one of our programs in our district. The Training Academy will feature our Mission to Mars program and our Advanced Academy will feature the FIRST LEGO LEAGUE's Trash Trek game. Each session will feature an exhibition for parents at the end of the week. For more information on our programs, please check out <http://hhlego.weebly.com>. All campers receive a camp T-shirt!

Campers should bring a peanut-free snack and water bottle

Each camper needs their own registration form
